**PURPOSE/BACKGROUND:**

The Traffic Engineering Division is recommending that a speed limit of 35 mph be established on Discovery Drive between Martin L. King Boulevard and Grand Central Parkway. Discovery Drive was extended from just west of Grand Central Parkway to connect with Martin L. King Boulevard to accommodate the new development in the area. Discovery Drive has an 80-foot right of way. Studies conducted on this roadway showed that the 85th percentile speed was 41 mph. Staff believes that the 35 mph speed limit is appropriate for this roadway.
